Dear Mr. Eby:

Thank you for the information that you recently submitted regarding Sandfill Landfill #2 and other, nearby disposal areas. The information that you submitted provides a good amount of detail that should be of assistance in determining site boundaries. That information will be forwarded on to Ecology and Environment, Inc., who has been contracted to assist the U.S. EPA in assessing abandoned sites. Representatives from that company may be in contact with you regarding this site.

Very truly yours,

James A. Knoy
Environmental Scientist
